

JOIN PRIA IN PHOENIX **2023 WINTER SYMPOSIUM**

The Property Records Industry Association (PRIA) will host its Winter Symposium in Phoenix, February 21-23, and you are invited!

The conference program includes a combination of general sessions on topics of significance for both recorders and businesses, with breakout meetings where small groups encourage everyone to get involved in the conversation.

A small sample of the general sessions:

- Access to and Sale of Bulk Records – what’s happening across the country
- Indexing Best Practices Town Hall – featuring recorders and searchers
- Blockchain Basics – bitcoin, cryptocurrency and blockchain sorted out
- GIS Case Study – Oklahoma County’s website searching features highlighted

Registration materials are now available on the PRIA website. Hotel reservations can be made using the website portal found at [here](#). The PRIA room rate is \$229, plus applicable taxes, and rooms are selling quickly.

There will be social activities each evening including a networking reception on Tuesday and an offsite event on Wednesday. All educational programs and scheduled social events are included in the low in-person registration fee of \$395 for early registration and \$495 for regular registration; \$495 and \$595 for non-members. Arizona businesses receive the member rate. A virtual option is also available.

Visit the PRIA [website](#) for more details and to register.
