December 21, 2021

Dear Members!

As the year draws to a close, it is time to reflect on all that we have accomplished this year. As an industry, we have continued to serve our customers and our communities regardless of the obstacles that we were challenged with. We have definitely persevered and conquered all that was set before us. Because of this, each of you is a shining example of why this industry is so vital to the health and strength of our communities!

I want to personally thank each of you for your continued efforts, dedication and hard work in what has been one of the busiest and most stressful years that many of us have ever experienced!

Please note that the NMLTA office will be closed on December 24, 2021 in observance of Christmas, and we also be closed on January 3, 2022 in celebration of the New Year.

Wishing each of you, your staff and your families, a very, Merry Christmas, and a safe, healthy and prosperous New Year!

Very Respectfully,

J. W. Baldock
