Good afternoon!

Thank you for being a member of the New Mexico Land Title Association (NMLTA)! Following our first-ever virtual election of officers earlier this month, we heard a welcome address from new president, Josh Payne, San Juan Abstract and Title in Farmington, NM. In his opening remarks he expressed his desire to open a better communication channel between the association and its members. Our success depends on our partnerships with members like you! Recognizing this, to help us serve you better, we ask that you click on the following links to fill out these forms and submit them back to us.

The first form is a **Member Verification Form**. This form will allow us to have the most up-to-date contact information for your organization. The primary member is the owner/manager or person that should receive all of the billing and pertinent information concerning your membership. The additional employees are anyone in your organization that would be interested in receiving our email updates, education opportunities or to participate in any volunteer committees. We encourage you to get your staff involved in our organization as there is strength in numbers and both your business and our organization will benefit from the numerous experts in our industry coming together.

The second form is a **short survey** concerning your membership. We are always looking for ways to improve our member value and we want your feedback. Please take a few minutes to let us know what is most important to you and how we can best assist you and your business.

We look forward to working with all of our board members to achieve the association’s goals. Thank you again for your membership and we look forward to seeing you soon at Convention, Title School, or our next Town Hall Meeting!
