Dear Title Industry Leaders,

NMLT PAC Donations

It is my hope that all of us as an industry family recognize and appreciate the efforts that the NMLT– PAC has made protecting our interests at the State capitol. We are working hard for you. Your contributions are very important, are going to excellent use and are not being wasted or unappreciated. Having said that, we could use your help.

We have just experienced the first ever virtual legislative session. It was definitely interesting, frustrating, and challenging all at the same time. But the good news for the Title Industry is the passage of our Remote Online Notary service (RON). I am very proud of the work that our Legislative committee did speaking in favor of this legislation at all of the committee hearings and the floor votes. And we couldn't have done it without the help of all of our members who reached out to their Representatives asking to vote affirmatively for this legislation. This shows how much power we have when we all work together. We also locked arms with our fellow Realtors and Lenders to voice our opposition to a Transfer Tax bill that would have added a tremendous burden to our title operations and procedures and a financial burden to our clients. That bill was successfully defeated in committee.

It also shows how important it is that we have a strong Political Action Committee behind us that helps us reach out to the legislators that are involved in the decision making process at critical times. We were able this year to give to the campaigns of Senators Ivey Soto and Joseph Cervantes who were both critical players in the RON legislation; in addition to other leaders that we feel will help advance our cause in the near future.

Now we need to replenish and shore up our PAC account. As your President, I'm asking each of you and your companies to show your appreciation for the legislative efforts of your association by supporting your NMLT PAC today. Our industry needs you. Let's contribute today, so that we are ready for tomorrow.

Please visit www.nmlta.org/contribute and show your support!

On behalf of the New Mexico Land Title Political Action Committee, I want to thank you for your past PAC contributions, your membership and your continued support of the title industry. We wish you and your staff members good health and good fortune.

I am very proud to be an NMLT PAC donor and honored to be your President.

Thank you,

Joshua Payne, President - NMLTA / NMLT PAC
