SPECIAL ASSOCIATION UPDATE – CONVENTION RESCHEDULED

Dear members,

As many of you are painfully aware, COVID-19 has heightened anxiety in the workplace, public and personal spaces, and everyone is pulling back on activities. We understand there is a lot of information going around and we wanted to reach out to you to let you know how the NMLTA is responding.

Like you, we at the NMLTA are doing our best to keep core operations up and running for our members, while safeguarding our colleagues, families, and communities during these extraordinary times.

For our members, we urge you to stay up-to-date with current news and updates from different municipalities to keep you, your co-workers and your business safe and healthy.

With that said and light of recent CDC guidance, the NMLTA Convention in May is being RESCHEDULED. We are tentatively looking at the month of July at the same venue in Albuquerque. Please stay tuned for confirmation on the rescheduled date. THANK YOU to everyone who registered. Whether you would like to hold your early bird reservation or receive a refund, we are more than happy to accommodate.

Your health and safety is top priority. Be well and please stay connected in these strange and tough times. We are in this together. We look forward to seeing you all once we reschedule!
