We would like to apologize for an unsolicited email that went out to our membership that appeared to come from our President, Josh Payne, without our knowledge. The email requested that you purchase gift cards for donations for Corona Virus preventive care items. PLEASE IGNORE THAT EMAIL!

We hope that it goes without saying that we would never purposefully bother our members with inappropriate emails. Thank you for understanding as we take the steps to work with our IT department in order to improve our email protection and security.
